RE: Renewable Power Purchase Agreement between Dominion Energy  
South Carolina, Inc. and Eastover Solar LLC.  
Docket No. 2021 - 185 - E

Dear Ms. Boyd:

By letter dated June 4, 2021, Dominion Energy South Carolina, Inc. ("DESC"), submitted to the Public Service Commission of South Carolina ("Commission") for review confidential and redacted versions of a renewable Power Purchase Agreement ("Renewable PPA") between DESC and Eastover Solar LLC ("Eastover Solar"). By electronic mail dated June 24, 2021, the Commission's Special Counsel, Mr. David Butler, requested that DESC "submit a general description of the types of information in the [Renewable PPA] for which confidentiality is sought." In compliance with this request, DESC hereby informs the Commission that the confidentiality is sought for certain project specific information (e.g., specifications, design, and operational information); certain negotiated pricing, charges, and other amounts; and other negotiated provisions related to variable integration charges, battery storage, and the potential for additional term. The redactions were mutually agreed upon by DESC and Eastover Solar, and the parties worked together to limit the redactions to terms which are highly sensitive competitive information and/or which, if made public, may prejudice either Eastover Solar or DESC (and its customers) in future negotiations.

By copy of this letter, we are providing the South Carolina Office of Regulatory Staff ("ORS") with a copy of this letter.

If you have any questions, please do not hesitate to contact us at your convenience.

Very truly yours,

A handwritten signature in blue ink that reads "Matthew W. Gissendanner".
